Payment + Health

NFC + Health Chip
7 Days Battery

BACKEN PLATFORM

Proven Infrastructure

All transactions are running on trusted and certified platforms on boarded by Wisecard.

- **Surnia Tokenization Platform**

  Real card numbers stay hidden. Every transaction uses a unique dynamic token, generated fresh each time and worthless to anyone who intercepts it.

MOBILE APP

Your Ring, In Your Hand

Payment and health intelligence, unified in one companion app.

Payment

- *NFC Tap to Pay*
- *Transaction History*
- *Spending Controls*
- *Real-time Alerts*

Health

- *Heart Rate*
- *Blood Oxygen*
- *Body Temperature*
- *Sleep Tracking*
- *Step Count*
- *Vibration Alerts*

AI Health Report: Daily insights from biometric data.
